

**BORN TO BE WILD**  
**Shattered Skies**

From the time of a child, I was born to be wild (ooh yeah)  
Unlike all the fools, I never played by the rules (ooh yeah)  
I broke free from the chains that were causing me pain  
I didn't want go insane.  
I was afraid of letting go of all these tears  
'cause I didn't want to live in fear

Tired of my sorrow, I searched for better tomorrows  
Never having time to cry, something I can't deny  
Nowhere to run, nowhere to hide  
Nowhere to run, nowhere to hide

Often times I've wondered why I struck like thunder (ooh yeah)  
I was like a rebel with a sad tale to tell (ooh yeah)  
I had to prove I was strong, even when I was wrong  
I had been forced to run 'cause I was on my own  
I had to learn to take control

Tired of my sorrow, I searched for better tomorrows  
Never having time to cry, something I can't deny  
Nowhere to run, nowhere to hide  
Nowhere to run, nowhere to hide

I had to take control (take control)  
I had to set my goals  
I'm a survivor, not just a winner  
I didn't want to live in fear...

Tired of my sorrow, I searched for better tomorrows  
Never having time to cry, something I can't deny  
Nowhere to run, nowhere to hide  
Nowhere to run, nowhere to hide

Tired of my sorrow, I searched for better tomorrows  
Never having time to cry, something I can't deny  
Nowhere to run, nowhere to hide  
Nowhere to run, nowhere to hide
