## CLUB ACCORD Shattered Skies

Cruisin I-530 to Little Rock, Arkansas  
Yeah...Riding in "Club Accord" yeah...three to a car ( 3 to a car, yeah)  
On the way to AllTel to see a superstar! (John Mayer)  
Raining, cell phones ringing, riders begging, "Will play a song now!"  
Play a song, play a song, play a song for us to sing to.

And it goes like this...  
Will, Will, Will, Will, will you play a song?  
For us to sing to...  
Play a song, Will, play a song, play a song  
for us to sing to.
