## **DEAR NEV** Shattered Skies

You came to me  
In a dream  
You spoke to me  
In this dream  
I understood  
Though, the words didn't make any sense  
But, you showed me the way through a fence

Oh Nevi, Nevi  
You're a gift unto me  
I've waited for the day  
To see your faces  
Oh Nevi, Nevi  
Gift unto me  
I've waited for the day  
Of your embrace

You walked with me  
By a stream  
You sang to me  
Near this stream  
I stood confused  
Though the words didn't make any sense  
But, you showed me the way through a fence

Oh Nevi, Nevi  
You're a gift unto me  
I've waited for the day  
To see your faces  
Oh Nevi, Nevi  
Gift unto me  
I've waited for the day  
Of your embrace

Oh Nevi, Nevi  
I have visions of you  
And who you're supposed to be

Oh Nevi, Nevi  
Let your light  
Shine right through  
I'm waiting for you to be
