

FREEDOM
Shattered Skies

Freedom, oh sweet freedom, freedom...
It's a part of who we are
Freedom...

Freedom...whoa...oh freedom
Freedom, sweet freedom, where are you?
Freedom, sweet freedom, where are you?

It's something we live for...
Something we fight for...
Something we die for!

Sweet freedom!

We take it for granted,
Though we never had it

Freedom...whoa...oh, oh freedom
Freedom, sweet freedom, where are you?
Freedom, sweet freedom, where are you?

It's something we strive for,
Something we cry for,
Something we lie for.....

Sweet freedom!

We take it for granted,
Though we never had it

Freedom...whoa...oh, oh freedom
Freedom, sweet freedom, where are you?
Freedom, sweet freedom, where are you?

It's something we live for, something we die for
something we strive for, something we cry for

Freedom, whoa..freedom

Freedom, sweet freedom, where are you?
Freedom, sweet freedom, where are you?
